

End of Life Care Training Sessions for Adult Social Care Staff

Leeds City Council and the St Gemma's Academic Unit of Palliative Care are working together to deliver an End of Life Care training offer for Adult Social Care staff working in frontline services...

An Introduction to End of Life Care (classroom-based sessions) – book [here](#)

These study days are aimed at social care staff who have not previously received training related to End of Life Care. They will provide an introduction to the key principles of supporting people living towards the end of their life, including those with long-term or terminal conditions.

Topics covered in this session include:

- What your role is and working collaboratively with other professionals involved in the person's end of life care
- Supporting people to plan ahead for their future health and social care needs
- Skills to enhance effective and sensitive communication
- How to support the dying person and their family in their last days of life
- Your own needs and self-care

End of Life Care Refresher Webinars

These webinars are aimed at Health and Social care staff who wish to enhance their understanding of End of Life Care and reflect on their experience.

This is a series of four separate 2-hour webinars on the following topics:

- Bereavement and Loss – book [here](#)
- Difficult Conversations – book [here](#)
- Advance Care Planning – book [here](#)
- Care in the last days of life – book [here](#)

Participants may choose to attend one or all of the webinars, there is no particular order of attendance required.
