

## Leeds Palliative & End of Life Care Outcome Statements 2020 – 2025

### People in Leeds that need Palliative and / or End of Life Care will:

1. Be seen and treated as individuals who are encouraged to make and share advance care plans and to be involved in decisions regarding their care
2. Have their needs and conditions recognised quickly and be given fair access to services regardless of their background or characteristics
3. Be supported to live well as long as possible, taking account of their expressed wishes and maximising their comfort and wellbeing
4. Receive care that is well-coordinated
5. Have their care provided by people who are well trained to do so and who have access to the necessary resources
6. Be assured that their family, their carers and those close to them are well supported during and after their care, and that they are kept involved and informed throughout
7. Be part of communities that talk about death and dying, and that are ready, willing and able to provide the support needed.
